

# Batsmen Stop Haaren, 7-6; Gain Boro Championship; Netmen Bow To Science, 5-0; Cindermen Triumph

## Are Undefeated In League Play

### NETMEN WIN ONLY ONE SET

## Science To Play Jamaica In Finals

By CARL ZLATCHIN

Facing a very strong Science team the Netmen bowed in the semifinals of the playoffs by a 5-0 score. The match was a rout, as Science lost only one set. Prior to this loss the team swept to the Manhattan Championship without a single defeat.

The Racketmen just didn't have it on this windy May 28th. Our number one man, Vinnie Briggs, who last year in the playoffs trounced his opponent, just didn't have the touch. He was defeated by Bernie Ploscowe 4-6, 3-6. Our number two man, Steve McNichols, was hampered by a back injury and was not able to get into top playing condition. He was defeated 1-6, 2-6. Richie Melnikoff, our number three man, showed a great deal of perseverance while losing to his opponent 3-6, 9-11. Melnikoff, after losing the first set, fought back gamely in the second one. With an assortment of beautiful shots and a very strong forehand, Melnikoff almost pulled out the second set. If it weren't for a few bad breaks he might have gone on to win the match. Mike Lessac, showed a great deal of courage in his match. The previous day he had gone to see his doctor to check on an old back injury which had recurred. Despite this great handicap, Mike played a beautiful game before he was finally defeated by Len Bickwick 4-6, 2-6.

### Doubles Duo Cops Set

Our doubles team comprised of Jerry Liebowitz and Carl Zlatchin put on a very surprising performance. With very little PSAL experience these boys fought gamely in an excellently played doubles match. Both Liebowitz and Zlatchin showed very strong net games. Playing very well in the first set Jerry and Carl won 5-4 for the only Red and Blue victory of the day. Their inexperience, however, showed up and they were defeated in the final two sets 4-6, 0-6. Liebowitz and Zlatchin are only juniors and should have a great deal of success next year.

The week before the playoff the Netmen had their final regular season match against a weak Evander squad. The match was a farce as Stuyvesant easily won by a 4-1 tally. Evander's only victory was gained by default. The Pegleg's third man, Melnikoff, was too sick to play. Stuyvesant's number one man, Briggs, easily triumphed and was quickly followed by McNichols. Mike Lessac was victorious in the main singles match. The doubles team of Liebowitz and Henry Izler also triumphed. Ganzler substituted for Carl Zlatchin was unable to attend the match.

for the playoff picture, we will play Jamaica in the Jamaica was a surprising victory over the defending Forest Hills. This was one most stunning upsets in Forest Hills had all but ended the Championship.

near the nucleus of the team Liebowitz, Zlatchin, Izler, Briggs, McNichols and Lessac are all seniors.

1957 BASEBALL TEAM

## Cindermen Retain Boro Championship; Win For Thirteenth Consecutive Time

By MARTY CORNHEISER and SAUL HONIGSTEIN

Sparked by Captain Al Araujo with nine points and Jim Norman with eight the Track Team captured its thirteenth consecutive Manhattan Track Championship.

The Peglegs started the meet on the right foot scoring 14 out of a possible 30 points. From then on in the lead was ours. The meet however was never a runaway. Until the last event we were closely challenged by a strong Franklin contingent. We had bested the Benjays just one week earlier in a dual meet by a 57-33 tally. The meet reached its climax when Norman edged out Franklin's Earl Robinson for second in the broad jump thus clinching the Championship.

The meet was filled with many thrilling moments. Araujo, after winning the high jump with a leap of 5 feet, 4 inches just missed a double gold medal by a tenth of a second in the 220 yard dash.

Araujo Stars  
It had been many years since a Stuyvesant trackman has won two medals in a major track meet. At the Manhattan Championship, however, this rare feat was accomplished by both Araujo and Norman. Between them Al and Jim scored seventeen, or exactly half of our thirty four points.

Coach Moe Davis had this to say about the meet: "I was pleasantly surprised because the team didn't show very much promise during its previous meets." Next year's team won't do as well due to heavy graduation losses. If we want to extend the streak to 14 consecutive championships we will need the help of you, the student body.

Many others athletes scored in this meet. Included were Simpkins, Rubin and Harrington who finished second, fourth and fifth in the hurdles. Chris Pendarvis and Roger Moses were fourth in the 440 and the high jump respectively. In the broad jump we took second and fourth while the mile relay saw us finish fourth and fifth.

Steve's Sparks: Bill Nicholas (last year's shortstop) is captain of the Freshman Nine at CCNY... A few last things before I go... congratulations to the champs—baseball, tennis, track, golf and handball teams... Good luck to next year's team... So long, I'm now moving my typewriter to RPI in Troy, New York.

The top basketball team was the '53-'54 quintet. Paced by All-City ace, Frank Neely, the Hoopsters won the division championship. This squad also had Julie Molinas, Normie Baum and Danny Berman. The last two are now starring at Union. A close second would go to this year's Hoopsters. Paced by George Hejduk they just missed making the playoffs.

During this period the Batsmen have reached the playoffs three times. This year's team has probably been the best. After a poor start they have won seven out of their last eight. They avenged their defeat, a questionable 5-2 affair with Seward, by walloping the Pirates 10-4. Ray Maccagli undoubtedly was the main cog in this machine. The 1955 team won the division title before bowing 4-3 to Evander in the playoffs. This team featured Red Stillman, Jerry Tregger and Al Slovin.

The lesser teams have also been great. The track, tennis, handball

per game despite a reluctance to shoot. He possesses a deadly jump shot.

In baseball it was a different

## Serry Hit Wins, Scores Oliphant

### SEWARD ROUTED, 10-4

## Andy Delouise Hurls A One-Hitter

By BILL SELAN

In the bottom of the 9th inning, of Friday's quarter-final playoff game against Haaren High School, Pegleg catcher, Hank Serry, with bases full and the score tied, 6-6, hammered a single inside of third base. Mickey Oliphant crossed the plate with the winning run as Stuyvesant edged Haaren, 7-6.

Emerging victorious, and undisputed Manhattan Champs, the Batsmen will now compete in the semifinals in their bid for the City P.S.A.L. Championship. This event will be held at Babe Ruth Stadium on Wednesday, June 5th, when the Pegleg nine will meet a powerful Bryant squad.

The winning pitcher for Stuyvesant was strikeout ace, Ray Maccagli who added 10 more whiffs to his record. This brings his total to 40 strikeouts in 37 innings. Ray's P.S.A.L. record now stands at 4-1. The losing pitcher for Haaren was Sal Muto, who last year white-washed the Peglegs by pitching a no-hitter. For Stuyvesant the totals were—7 runs, 7 hits and 9 errors. Haaren copped 6 runs on 6 hits and 7 errors.

### Palant Gets RBI

Both teams got off to shaky starts. The Red and Blue gave up 4 runs in the 1st inning on 3 errors, and two singles. Stuyvesant came back in the bottom of the first, scoring 3 runs on 3 Haaren errors and a single by Charlie Palant.

The game was highlighted by topsy turvy ballplaying, with pressure and tenseness the cause of errors on both sides. The Peglegs sparked, however, in the 5th inning, when Maccagli had a runner hung up between 2nd and 3rd bases. Maccagli flipped to third baseman Goodisman, who in turn overthrew 2nd base. Dave Lieberman, picking up the ball in right field, threw the runner out at home. In the home half of the 4th inning, Mickey Oliphant blasted a tremendous double over the left fielder's head, scoring Lenny Goodisman, thus tightening the score at 6-5. The top of the 7th inning again saw the Peglegs excel in the field. With two men on base and one out, Haaren threatened to add insurance runs to their 1 run lead. A short fly ball to Lieberman in right field saw the runner off third tagging and going for home. The throw from Lieberman to Serry at the plate was in time. Serry, who was shaken up on the play, managed to hold on to the ball for the third out.

### Maccagli Scores

The eighth inning saw Maccagli tie up his own game as he singled deep to short and went to second on a wild throw to first. Richie Sharp then singled on a slow roller to short. Maccagli scored the tying run as the shortstop bobbled the ball.

In the top of the 9th, a high pop up to Sharp at shortstop and two strikeouts by Maccagli finished the Haaren threat for the game.

The bottom of the 9th started as Oliphant singled cleanly to right field for his second hit of the day. Lieberman walked and the next batter, team Captain Roger Panetta was hit by a pitched ball to load the bases. Serry then singled to win the game.

On Tuesday, May 28, the Peglegs trounced Seward in a playoff game for the Manhattan Championship, 10-4. Stuyvesant wrapped the

(Continued on page 5, Col. 1)

## 'Spec' Names Ray Maccagli Second Athlete of the Year

Unlike last year The Spectator has had no trouble in selecting Stuyvesant's 'Athlete of the Year' for 1957. Ray Maccagli was by far the best performer on any Stuyvesant team.

Ray starred in both basketball and baseball. As a Hoopster, Ray was probably the most underrated player on the team. Throughout the season, he was the team's top playmaker. Ray averaged close to ten points

In conclusion we will say that Ray Maccagli is one of the top athletes ever to appear in Pegleg uniform.

### END OF TERM CALENDAR — JUNE, 1957

Wednesday, June 12 — Friday, June 21

Final School and Regents Examinations.

Monday, June 24

Official Classes meet at 9:40 A.M.

1. Receive Report Cards

Your report cards should have your NEW official class and room. If this information is not on your card, obtain it from your official teacher.

2. Return books and all other school property

Students who do not return books on this day will have "Nb" notations entered on their permanent record cards.

NOTE: Students are to report to the Auditorium during their lunch periods.

Tuesday, June 25

1. Summer School applications

A.M. Official classes — 9:00 A.M.

Students must have their report cards with them.

2. Unreturned Books — Books not returned on Monday, may be returned to chairmen of departments between 9 A.M. — 10 A.M.

Wednesday, June 26

1. Commencement Rehearsal—9 A.M. at Carnegie Hall. Students report directly to Carnegie Hall.

2. Students who have any school business to complete are to meet in Room 212 at 9 A.M. (This applies also to Thursday, June 27 and Friday, June 28).

Thursday, June 27

Commencement Exercises — 9 A.M. at Carnegie Hall

Monday, September 9

First day of new term — Official classes meet at 10:30 A.M.

## SCHEDULE OF FINAL EXAMINATIONS

June, 12-21, 1957

1. This table contains the Regents Examination room Schedule ONLY. It is the responsibility of the student to secure his Final Examination room numbers from his subject teachers.
2. At all times, Room 207 will be the CONFLICT and OVERFLOW Room. If you have two examinations scheduled for the same time, OR if there is no seat available in the scheduled room, report to the CONFLICT and OVERFLOW Room immediately.
3. A person who has two conflicting Regents examinations will be allowed three hours for each.
4. No student in the conflict room may leave the room unescorted until he has handed in all his conflicting examinations.
5. Candidates in morning Regents will not be allowed to enter after 10 A.M. and will not be allowed to leave before 11 A.M.
7. Candidates for Language Regents who arrive after the "Dictation" has begun will not be allowed to take the examination.
8. Candidates are instructed to bring with them fountain pens (blue or black ink), black pencils for diagrams, straight-edge and compasses (where required).

### School Finals

Wednesday, June 12
